

Thomas M. Powers  
Commander Post #68

My goal is to bring a lifetime of service-oriented leadership, financial stewardship, and organizational management that directly supports the responsibilities of Post Commander for American Legion Post 68. As a United States Air Force veteran and distinguished graduate, I have built a career grounded in discipline, accountability, and service to others. My professional background includes decades of administrative leadership in government, military, nonprofit, and small-business environments, with extensive experience overseeing budgets, financial controls, compliance, personnel management, and strategic planning. These skills are complemented by my strong communication abilities and proven record of supporting leadership teams, managing complex operations, and ensuring transparency and fiscal responsibility—core competencies essential to the effective operation of a successful American Legion Post.

Equally important, I have demonstrated a longstanding commitment to veterans, community involvement, and civic engagement. I am a current member in good standing of John E. Jacobs American Legion Post 68, participating in many Post activities and training opportunities, and have actively served in leadership roles within chambers of commerce, nonprofit organizations, and faith-based institutions, frequently entrusted with treasurer and governance responsibilities. My resume reflects a collaborative leadership style, respect for tradition, and a clear dedication to strengthening organizations through member engagement, sound financial management, and mission-focused decision-making. As Post Commander, I seek to apply this experience to support fellow veterans, strengthen community partnerships, uphold the values of The American Legion, and guide Post 68 with integrity, professionalism, and a shared sense of purpose.

Thank you.
