Originally from Lumberton NC, I retired from the **US Air Force** in March 1995 where I had multiple moves throughout my career which included Texas, Alaska, New Mexico, Southern Illinois, Hawaii, and back to Illinois. When I decided to move back to NC in 2002, Wilmington was my top choice.

We have lived here in Leland in Magnolia Greens since November 2003. My husband (AF Retired PJ) of 33 years passed away in March 2022.

While in the Air Force, I completed my bachelor's degree in Vocational Education/Workforce Management, and later, my Master's in Human Resources utilizing my GI Bill.
