

Mike Mabee: Treasurer

Qualifications Statement

Mike Mabee is well-qualified to serve as Treasurer for Post 68 due to his strong background in financial management, attention to detail, and commitment to service. He has extensive experience managing budgets, tracking expenses, and preparing financial reports, ensuring transparency and accuracy in all monetary matters. His organizational skills and reliability enable him to maintain meticulous records and support the Post's mission responsibly. Mike is dedicated to upholding the values of the American Legion and ensuring that resources are managed wisely for the benefit of all members and veterans in need in the local area.

Military Service

US Navy Veteran, served from 1987 to 1997. During his tenure, Mike was a Navy Pilot, operating as both a C-130 pilot and instructor pilot. He also held positions as Hanger Bay Officer and Catapult and Arresting Gear Officer aboard the USS Dwight D. Eisenhower.

Professional Background

Mike has 20 years of leadership experience in manufacturing operations, planning, procurement, finance, and logistics. This extensive background demonstrates a strong understanding of complex organizational processes and fiscal management.

Real Estate Experience

For five years, Mike has worked as a real estate agent with Coldwell Banker Sea Coast Advantage in the Leland Office, further enhancing his skills in client relations, communications, and real estate transactions representing both buyers and sellers.

Financial Leadership in the Community

A dedicated member of Grace United Methodist Church in Wilmington, NC, Mike has served for ten years, including five years as chairman of the Church's Finance Committee. He oversaw a \$900,000 annual budget for a congregation of over 400 members, three pastors, ten staff members, and managed financial matters and reporting for the church's sanctuary, administrative offices, educational spaces, and programs.

Volunteer Service

Mike has volunteered for the past 5 years as a tour guide, ambassador, and docent aboard the USS North Carolina in Wilmington, NC demonstrating his commitment to community service and historical preservation.
