

John E. Jacobs American Legion Post #68, Leland, NC

The **Wreaths Across America** mission is to **Remember, Honor, Teach**. In all they do, they strive to fulfill their core values: **Remember** the fallen, **Honor** those who *serve and their families*, and **Teach** *the future generations about the sacrifices made to preserve our freedoms*. Wreaths Across America (WAA) carries out these values in part by coordinating wreath-laying ceremonies each December at veterans' cemeteries in all 50 US states. As a non-profit organization that receives no government funding, the cost of their programs is paid by individual wreaths sponsors, corporate donors and volunteers.

A portion of your Wreath donation will benefit John E. Jacob's American Legion Post 68's efforts to aid local veterans, schools and other local organizations through a variety of programs. Wreaths Across America understands the strong emotional connection, love for America and appreciation for our military personnel and veterans.

Your sponsorship/purchase of live wreaths will be delivered and placed on veteran gravesites at the Wilmington National Cemetery on Dec 13th, 2025 All are invited to attend.
